

ENVIRONMENTAL POLICY

Mwanza Precious Metals Refinery recognizes that its business activities may have Environmental Implications on Environment & Natural Resources. We believe that the commitment to Quality & Environment Management System is uncompromisable and hence is an Integral Part of our Business Management Practice & Policy.

MPMR has Systems that ensure:

- Neutralization & Treatment of Vapors & Fumes that emit during Metals Processing.
- Optimization of Energy Consumption.
- Wastewater & Chemicals management.
- All personnel and vendors working with us are trained and strictly adhere to our stringent requirements.

MPMR is Committed to: Protect the Environment, Prevent Pollution, Conservation of Natural Resources & Reduction of waste.

MPMR is committed to complying with all relevant Legislations, Environmental standards, and other requirements locally & Internationally.

MPMR welcomes positive contributions from all employees & Interested Parties to ensure strict compliance at all times.

MPMR is committed to ensuring the effectiveness of the Environment Management System through continual reviewing & Compliance Obligation with new legislation & audit Programs.

The Policy will be available to all interested Parties Upon request.
